

CCC Disparities Committee

Guidelines

Identify Major Assets

- Identify major assets/resources that are currently available within Arizona.
- Assets are broadly defined as infrastructure, services, events or activities, or could also include financial resources.

Identify Existing Barriers

- Identify existing or potential barriers relevant to your committee plan, development, or to future implementation strategies.

Review the Overall Goal and Revise as Applicable

- A goal is the overarching directional statement to assist in achieving the vision of the group.
- Current disparities Goal is:
TO REDUCE CANCER DISPARITIES
AMONG ARIZONANS.

Identify Objectives

- Five objectives have already been identified.
- Review and identify new objectives as applicable.

Identify Strategies for Each Objective

- Identify strategies that could be implemented over the next five years for either eliminating the barriers or significantly mitigating their influence.

Recommend at least 3 Priority Strategies from those Identified for Implementation during the Initial 12 Months.

- Will the strategy have a significant impact if implemented?
- Is it feasible to begin implementing the strategy during the first 2 years of implementation?
- Can significant progress in implementing the strategy be made during the initial two years of the plan?
- Will the strategy set the stage for other strategies to be implemented in future years of the plan?

Determine Key Activities

- Identify the major activities necessary to implement the strategies selected.

Develop a Draft and Present Recommendations

- Goal statement
- Existing key assets and barriers
- Identified objectives
- Review of the 2-3 priority strategies
 - rationale for selection
 - major outcomes to be achieved
 - key activities to implement strategies

Timeline

- Identify major assets
- Identify existing barriers
- Review the overall goal and revise
- Identify objectives
- Identify strategies for each objective
- Recommend at least 3 strategies for implementation
- Determine key activities associated with each priority strategy

Who is Missing?

We don't accomplish anything in this world alone ... and whatever happens is the result of the whole tapestry of one's life and all the weavings of individual threads from one to another that creates something.

Sandra Day O' Connor
